FOREWORD . . .

Every student should excel in some activity or class. Like the astronomer, who after years of searching the sky is happy to discover a new star, the student finds his greatest satisfaction in discovering new interests. He enjoys getting acquainted with others who have similar interests, and often forms life-long friendships; thus giving even the shy student self-confidence and poise. He also develops leadership by assuming responsibility; learns sportsmanlike conduct, based on self-discipline and recognition of the rights of others; and gains self-respect from serving others well. Learning to work with others by participating in school activities will be fully as important to him in his later life as the knowledge he acquires from class-room instruction.

To the Graduates of '52:

During the past four years, we at Calumet have tried our best to make your high school days profitable ones. Upon entering Cal for the first time, you found it to be a very strange and bewildering place. But soon, through taking part in school activities you made many friends and came to feel that Calumet was your school. Inasmuch as participation in sports and activities at Calumet has enriched your school days, it is my wish that you now take an even greater interest in the civic life of your community.

We hope you enjoy your '52 Temulac both now and later when it recalls familiar faces and scenes that made your Calumet days the happiest and most memorable ones of your life.

Class History - - January, 1952

As we entered the big doors of Calumet, we stared in awe and bewilderment at what lay before us. Finding our way to the lunchroom, gym, and through the halls was very confusing. But the year passed swiftly and to our relief we became Sophomores.

Our new subjects brought trying problems. Learning Math terms and reading plays took up a lot of our time but we managed to save enough for the Friday socials, football games, and various club meetings.

Our Junior year found us working diligently and trying hard to squeeze in more activities. Sten, U. S., and Physics proved troublesome to some of us but most of us managed to learn a lot.

The original 188 in our class has dwindled to 132, making us the smallest graduating class from Cal in the last 25 years. We chose rings, had graduation photos taken and were measured for caps and gowns. We elected Ron Kleim as our class president, Jack O'Toole as outstanding student, and made Dorothy Sutz head of the Senior Girls' Council.

No matter where we may go or what we do after graduation, we shall always remember Calumet. We hope that you will welcome us whenever we return, for our memories of the wonderful time we have spent here will never leave us.

Class History - - June, 1952

One fine autumn day four years ago as the clouds skudded along overhead, 499 freshies entered Calumet for the first time, living for the time when we might be called freshmen instead of freshies. Then when we began our sophomore year, we in our turn took delight in sneering at the freshies.

As juniors we studied the mysteries of physics and came to have a deeper respect for our country's past. We were by this time deeply engaged in school activities and hoped we looked as important as we felt.

Then quite suddenly we found ourselves the big wheels we had always dreamed of being. We hoped for, but didn't always get, the short programs we desired. June brought the Prom at the Edgewater Beach and before we knew it, the last week ushered in Class Day and culminated in Graduation Night. The flower girls slowly came down the aisles and we filed after them, taking our places. Our class president gave a fine speech, and we were very proud when we received our diplomas and felt our parents' approving eyes upon us.

Quite suddenly it was all over, and we couldn't help but wish we could do it all over again.

Mr. Louis Lason
Band Instructor

During the past four years the band has grown both in size and reputation until it is now considered one of the greatest high school bands in the city of Chicago. Under the able direction of Mr. Louis Lason and Dick Ruter, president, it performs admirably on both football field and concert stage. The band attained a superior rating in classes C and D in city wide concert and this year endeavored to secure this rating in class B.

Not only is there a 95-piece concert band, but also a 75-piece intermediate band and a 30-piece beginners' band. The Band Leaders Club is made up of concert band officers and section leaders. The entire Concert Band is eligible for membership in the newly formed Sousa Club in which discussions are conducted by the band officers. The intermediate band has a similar club named the Melodians.

The band's fine performance on the football field, at assemblies, P.T.A. variety shows, graduation, and the Spring Concert have aroused the interest not only of the school but of the entire community.

The *Crier* meets in room 318 under the guidance of Mrs. Gwen Hultenschmidt who not only sponsors the Editorial but also the Circulation and Photographic Staffs. The page assignments are posted on the bulletin board by the page editors and the stories are requested for the following Wednesday. The stories are then typed and sent to the printer. The next Monday the galleys come back, are proof read, and heads are written. On Monday, Wednesday, and Friday some of the journalists stay until 4:30 so the *Crier* can come out on Thursday.

Quill and Scroll pins are awarded to outstanding graduating members of the *Crier* staff. To get the Quill and Scroll award one must write for the *Crier* two or more semesters, must have published at least 300 inches, must be in the upper third of his class, and must be approved by his sponsor. The Quill and Scroll awards are made by an international organization.

The theme of the *Temulac* this year is "every student should learn to do something well." A star motif to feature those students who excelled in some activity has been used to emphasize this idea. Close-ups of typical symbols have been used for sectional division pages.

Writing, typing, sketching, taking photographs, bookkeeping — all these talents have been used to produce the *Tem*. The business staff in conjunction with the session representatives publicized, kept records of payments, and distributed the book. The art staff made the drawings to illustrate student activities. The editorial staff interviewed the sponsors and officers of various clubs, activities, and sports to gather information for their articles which the typists put in final form to be sent to the printer. The photographic staff took pictures of special events and aided the professional photographer with the group pictures.

R. O. T. C.

The R.O.T.C. makes a material contribution to the nation's security. It was organized in 1920 by an act of Congress and since that time has fulfilled the fondest dreams of its creators by supplying the army in time of national emergency with a corps of well trained officers who act not only as combat commanders, but as instructors to those being called up by the selective service system.

Today we find in high school R.O.T.C. a comprehensive program designed to give the student a thorough grounding in military training along with a knowledge of the complex organization of which he may find himself a part in the near future. But even more important is the leadership training he receives which will serve him well in civilian life as well as in a military career. The leadership that is taught is not just text book theory but practical work which requires real leadership on the part of the cadet. One of the basic aims of this course is to find and cultivate this quality, for it is the first prerequisite of a fine army.

Efficiency is the objective of R.O.T.C. participation in such events as the Picked Platoon competition and the Fifth Army Rifle Match. And it is on their efficiency that the cadets are rated in the annual Federal Inspection each spring.

OFFICE ASSISTANTS

The students working in the main office have a great variety of duties to perform, which gives them valuable experience in office work. They deliver mail, messages, and supplies, and also perform other tasks. A "G" average and the recommendation of two teachers are the requirements for becoming an office worker.

ADJUSTMENT OFFICE

These girls file, record, and revise cumulative records to keep them up to date. They type, run errands and even serve as guides for school visitors.

These assistants, generally recruited from business training classes, receive practical experience in general office work, and, after four semesters' work, a service letter.

In a Whirl

THE JANUARY PROM

The January Prom, "The Starlit Snowball," was held in the boys' gym on January 18 at 9 o'clock. This was the first time in many years that the gym had been used for a senior prom. The snowflakes, giant snowballs, white Christmas trees, sleighs and reindeer, which adorned the ceiling, walls and floor were such an effective camouflage that you could scarcely recognize the old gym.

Ninety couples swirled to the music of Johnny Marlow's orchestra. After the Grand March the bids, paper mache snowballs, were given out, thus ending a wonderful evening.

ALL CALUMET CIVIC

The All Calumet Civic League officers and division representatives meet every Wednesday 3rd period under the direction of Miss Evelyn Demoplos to discuss and try to work out any student problems which arise. Highlights in the fall program were the Christmas social "Mistletoe Mingle", a Truth or Consequence assembly with Willie Curtin as emcee, and a program of movies given by the P.T.A. in appreciation of student cooperation in last year's Pow Wow. The spring membership drive was climaxed by an amazing demonstration of mass hypnotism by Edwin Baron. The "Daffy Dilly" ended the social season with 652 in attendance, a turn out so impressive that it won an extra social for Cal. The A.C.C.L. also sponsored the Clean-Up program with Richard Siegle chairman, and the student court of which Bob O'Donnell and Bob Busch were the chief justices while Ed Bogohosian and Jerry Kelly were the chiefs of police.

Carol Deahl's committee entertained the principals and delegates of all the grammar schools of District Five at a luncheon. Tag Day netted $210 for beautifying the campus, thus promoting the plant-up part of the campaign.

Judy Honor planned the Clean-Up assembly which climaxed the campaign on April 25. The "Teepee Tango" sponsored by the dance committee headed by Betty Edson, was held in the boys' gym, with Johnny Knopp's orchestra furnishing the music. Spotlight singers, Ron Taylor and Barbara White were chosen by the committee to sing at both assembly and dance. The King and Queen, Jerry Peterson and Joan Scheeler, were chosen by petition and ballot.

At the Talent Social, the Dixiecats won top honors with their wonderful playing. The Freshie Queen was crowned at the "Come-as-You-Are" Social after the Hyde Park football game. Calumet placed third in attendance for the city with an average of 631 persons at each social. The faculty advisors are Miss E. Demoplos, Mr. J. Freestrom, Mr. W. Merwick, and Mr. L. Huber.

THE NATIONAL HONOR SOCIETY

The members of the National Honor Society have achieved an outstanding record in scholarship, character, initiative, leadership, and service. They comprise the upper 15% of the graduating class and have earned 50 or more service points by participating in school activities. The selection of members takes place at the end of the third marking period and the officers are elected a week later. The organization of the group is in the hands of Mrs. Mary Roberts, their sponsor. The members were honored by the A.C.C.L. at a luncheon for them, their parents, and their teachers. Their gold pins, symbols of their excellent work, were presented to them by the P.T.A.

Recognition of scholarship started early at Calumet. Back in 1919 the idea of a nation-wide honor society was suggested, but it lay dormant until 1921, when a principals' committee in Chicago formulated a plan for a city honor society. In 1931, the Chicago Honor Society was admitted into the newly organized National Honor Society of Secondary Schools.

Not only are the 250 members of the Junior Honor Society the "brains" of the school, but they are also Cal's most active fellas and gals. Organized in 1925 and now sponsored by Miss Jennie Aasen, the club promotes scholarship, citizenship, and interest in school activities. To become a member one must have an "E" average and 3 to 7 service points. The officers this year were Ron Erickson, president; Al Mattaliano, vice-president; Merle Smedberg, secretary; Lois Stanton, treasurer.

PARENT-TEACHER ASSOCIATION

Since its formation in 1914 with 24 charter members, our P.T.A. has developed into an outstanding organization of 1480 members (of which 400 are fathers), devoted to promoting the welfare of Calumet's student body.

On November 30, the P.T.A. sponsored the Football Frolics, which featured the Concert Band and numerous vaudeville acts. Of the proceeds $750 was used to buy new instruments for the band, and a loud-speaker was installed in the girls' gym.

In recent years the P.T.A. has refurnished the Little Theater, purchased a fire proof curtain for the stage, helped to obtain the electric score board for the boys' gym, and provided pins for the National Honor Society members.

Headed by their president, Mrs. Frank Weiner, and the various committee chairmen, the P.T.A. members have worked diligently and enthusiastically toward their aim "Balanced Education — Better Living."

SPORTS

FOOTBALL

Calumet's '51 football team, which was not very heavy or large in comparison with the other teams, had an average season under the leadership of Coach Ted Zayner. They won 50% of their games and took 3rd place in South Section. Jack O'Toole was named guard on the All-South Section first team and received honorable mention on the All-Chicago team. Ron Wanda and Jerry Peterson received honorable mention on the All-South Section team. Joe Strasser, back, made second string South Section Public School League, and Bob Sanford, center, received honorable mention.

The team played its best game against the strong Hirsch squad, with Schmidt scoring the only touchdown and Lee Swanson making a thrilling touchback. Misfortune struck in the Harper game in which Bob Sanford seriously injured his back, but the team romped to win 7-0. The Indians then lost to Bowen in a raging snow storm 20-12, with Jerry Kelly scoring both touch-downs, but it was not quite enough to win.

Francis Hansen, Frosh-Soph Coach; Capt. Bob Bacchi, Frosh-Soph; Capt. Jack O'Toole, Varsity; Ted Zayner, Varsity Coach.

BASKETBALL

Before mid-season graduation the heavies had an unusually fine season. Sherman Thompson made the All-Illinois Tech Tournament Team and Lu Edson received honorable mention. With graduation the Indians lost Thompson, first string center, whose scoring sparked their early victories, and Jerry Kadansky, forward. Ray Doran later filled Thompson's position and Ralph Rundle, Kadansky's.

The team opened their season against the tough Hirsch team and were beaten 59-51. Next came two straight wins — Hyde Park, 60-49, and South Shore, 71-50. Lu Edson scored 25 of the 71 points. The next two games were dropped to C.V.S. and Bowen, but the team bounced back with two more wins from Carver, 55-48 and Fenger 60-33. It was in the Fenger game that Ray Doran took over Thompson's place and proved himself able. Then the Indians met Tom Jorgenson and Company from Parker and were defeated 52-39. They ended the season with a loss to Harper, despite the fine scoring of Capt. Jim Lecos, who was picked for the All-South Section Team.

The inexperienced Juniors had a fair season with a 4 and 6 record. This was better than the records would indicate, for the team boasted only one returning veteran, Capt. Bob Martin, their high point man. The season opened with 2 straight losses to Hirsch and Hyde Park. But they then edged out a confident South Shore team, 31-30. After losing to C.V.S. and Bowen, the Juniors bounced back, trouncing a highly rated Fenger team, 53-49, largely because of the consistent scoring of Dick Peterson.

They beat Carver by a score of 58-43, only to lose to Morgan Park. The juniors put up a real fight against Parker, defeating them 48-42. But the season ended in a set back by Harper, 83-64, despite Jerry Kelly's 22 points.

The juniors expect a much better season next year with a hard fighting and experienced team.

WRESTLING

The Calumet Grapplers, under the leadership of their co-captains Ron Wanda and Dick Schmidt, and coached by Mr. Dygert, represented our school well on the mats. They had a wonderful 18-3 record. They placed first in South Section and 2nd in City, losing to Tilden 31-11 in the play-off for the city championship. Ed Bogohosian took first in City in the 175 pound division. In the state tournament they placed 2 men of the 8 who qualified. Strasser placed 3rd and Wanda 4th. This great record makes this year's wrestling team the finest Cal has ever had.

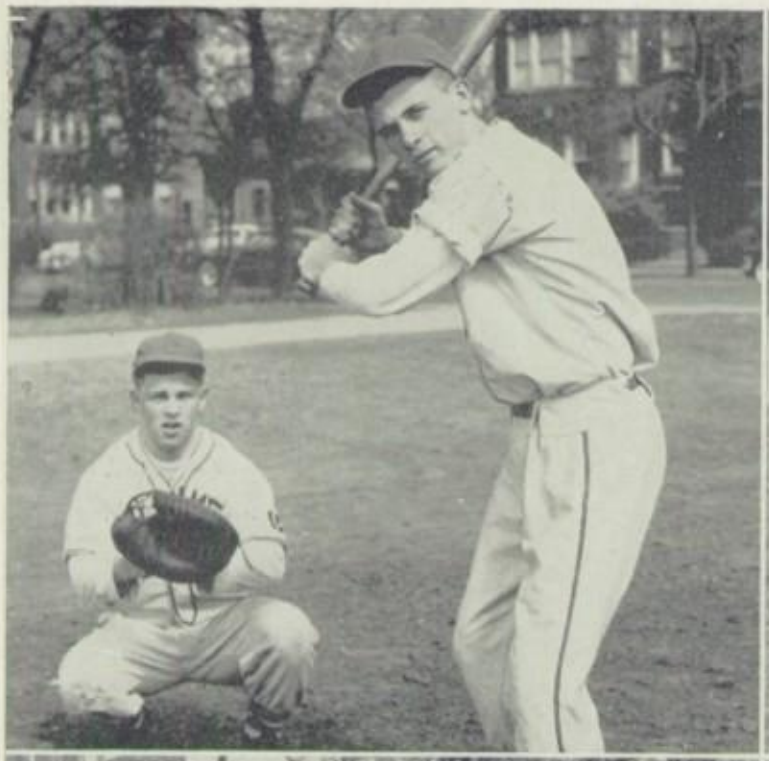
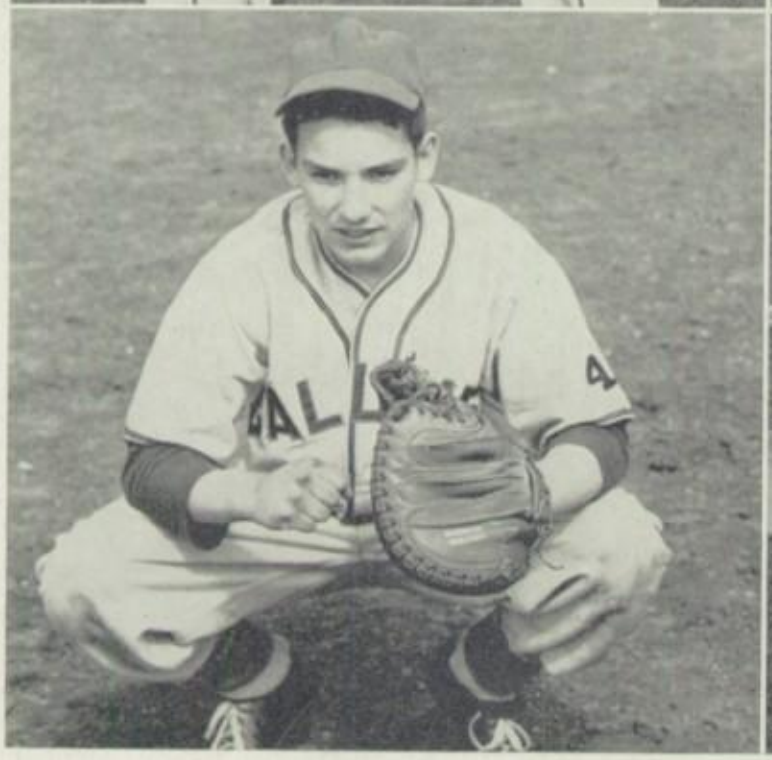
This year's team was bolstered by five returning veterans: Ben Penn, Ron Erickson, Dick Luebke, Bob Martin, and Lu Edson. The season was opened with a 15 to 4 win over South Shore, with Dick Luebke pitching. The next two games saw the Indians go down before Fenger and Bowen, but they bounced back to win over Hyde Park, 2-1.

Coach John Ivers worked hard to produce a good team, even though the boys lacked experience. Dick Luebke, Al Miller and Bob Schuelke carried on the pitching chores. The infield was kept alive by Roy Hauser, shortstop; Capt. Ron Erickson, 2nd base; Frank Witte, 1st; Ken Liveris and Dick Minogue, catchers.





TRACK

After a late start, Coach Zayner's thin-clads worked hard to maintain their record of the past two years and again win South Section. They participated in the City Indoor, South Section, City College Relays, and City Finals. Del Barba placed 3rd in the City Indoor meet. Moore, who led the team in scoring last year, along with Michalski and Daly, ran the sprints. Coniglio ran the 440 along with Patterson who also did the broad jump. La Roy, Bill Johnson and Travis Johnson ran the mile; Crosby and Mattaliano, the hurdles. Lecos handled the pole vault, Gascoyne the high and broad jumps. Cottier and Bill Johnson put the shot. One of the team's best events was the five-man relay team: Travis Johnson, La Roy, Del Barba, Patterson, and Coniglio.

TENNIS

Cal's tennis team was organized last fall under the sponsorship of Mr. Richard Busch. A round-robin tournament with twelve players was run off in the fall to keep the boys in shape for the '52 season.

The winners of the fall tournament formed the nucleus of the team which was re-organized this spring. A coach from the gym department could not be secured, so Mr. Howard Marshall, physics teacher, consented to sponsor the team and Mr. John Shostrom, a former Big Ten College Tennis Champion, graciously offered his services as coach on week-ends.

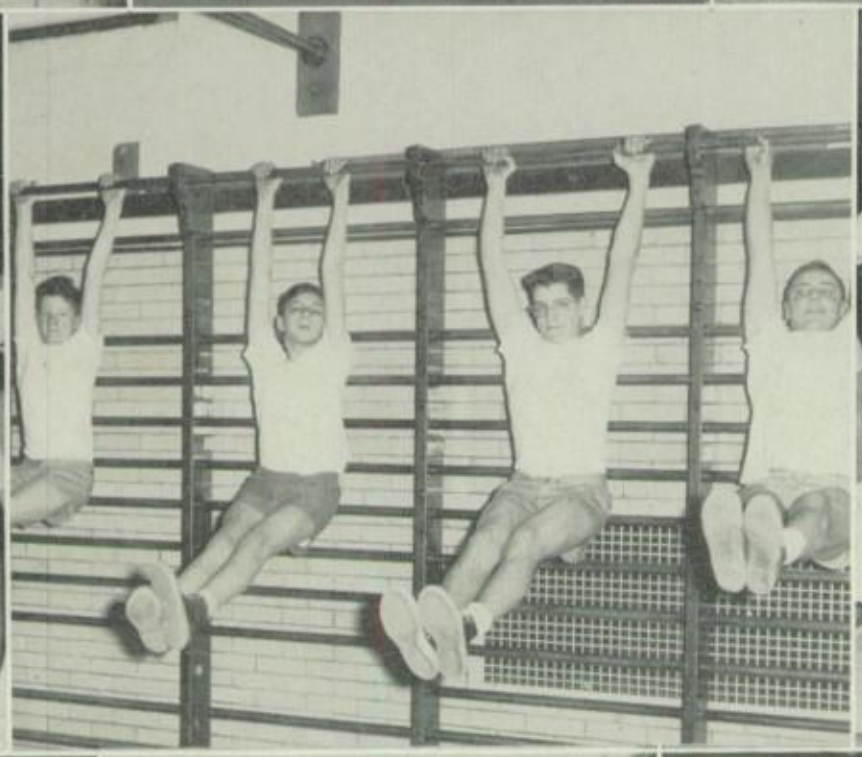
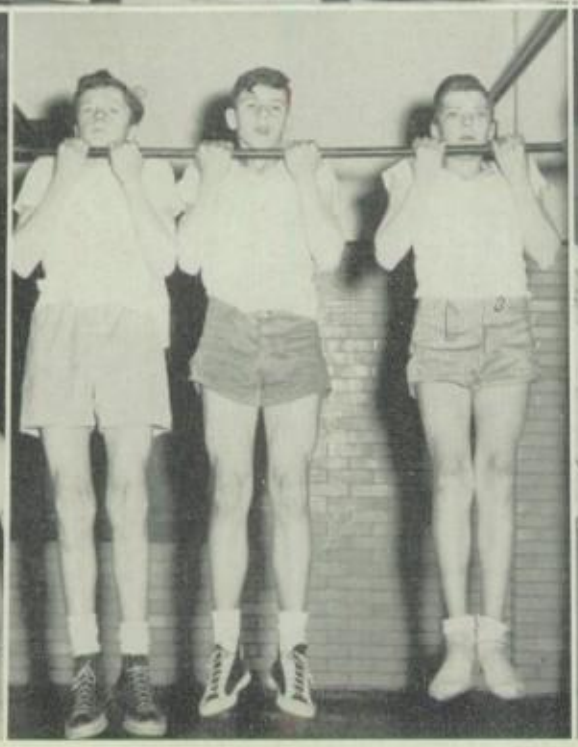
BOYS' GYM CLASSES





CHEERLEADERS

Yea Team!

Fight! Fight! Fight!

Football games, basketball games and pep assemblies certainly need the Cheerleaders around to rouse up the old school spirit. Mud, rain or snow do not bother them or dampen their enthusiastic spirits.

Each spring, under the sponsorship of Miss Laura Pearson, all interested girls with a "G" average who are neat and bubbling over with pep may try out for the squad. Each year after many hours of practice and a series of eliminations, sixteen girls proudly wear the white megaphoned sweaters and maroon culottes. Marlene Bollinger and Rae Del Giorno were co-captains for the fall semester while Pat Onesto was captain and Virginia Peterson assistant captain for the spring semester.

Row 1: Brownell, Del Giorno (co-captain), Brenner, Onesto, Schueneman, Bollinger (co-captain), Pock.

Row 2: Burk, Johnson, Edson, Delancey, Peterson, Glidewell, Gallagher, Wallace.

LETTER GIRLS

One thousand points! Sounds easy — is easy. Just takes hours of bowling, swimming, cycling, skating, ping pong, volleyball and basketball — plus good grades, good health, service to the gym department, and sportsmanship — plus many sore muscles, blistered feet, and aching backs. These are prerequisites for a coveted "C". Chevrons can be added — one for each additional three hundred points earned.

Look for the wearer of a G.A.A. letter and you'll find a worthwhile Calite.

BOARD OF SPORTS

Every Thursday the Board of Sports meets under the able leadership of Miss Laura Pearson. These gals in the blue skirts and the white blouses with the letters G.A.A. on them form the governing board of the Girls' Athletic Association.

This year the board sponsored the Bittersweet Swirl which was so successful that it may become an annual affair. They also planned the various G.A.A. tournaments, produced the Freshie, the Award, and the Christmas assemblies, and crowned Helen Boylan the Sports Queen of 1951.

This year's officers were: presidents, June Sylling, Merle Smedberg; vice-presidents, Dian Law, Elaine Rapka; secretaries, Elaine Rapka, Sally Ferguson; treasurers, Merle Smedberg, Penny Peterson.

LEADERS

The girls in the blue shorts and white blouses are called Leaders and play an important part in the gym program at Cal. Taking care of the equipment, helping in the swimming pool, and "reffing" games is part of their job. Every Thursday, Miss Marie Kuglin, sponsor, schools them in adeptness in gymnastic skills. Good sportsmanship and leadership are the goals of every leader.

You may never have executed a "back dolphin" or participated in a water ballet but you will have after Miss Marie Kuglin, sponsor, has given you the works.
